## Highlights

We moved in to our brand new building the second week of August and began school 1 week later. The staff, parents and students pulled together to make this a very smooth transition. The school began a four-day school week this year to help address attendance issues. This change has helped make dramatic improvements. The daily schedule was rearranged to allow for extended reading and math time to help address needed academic growth. Overall the staff, parents and students are very pleased with the changes made this year.
